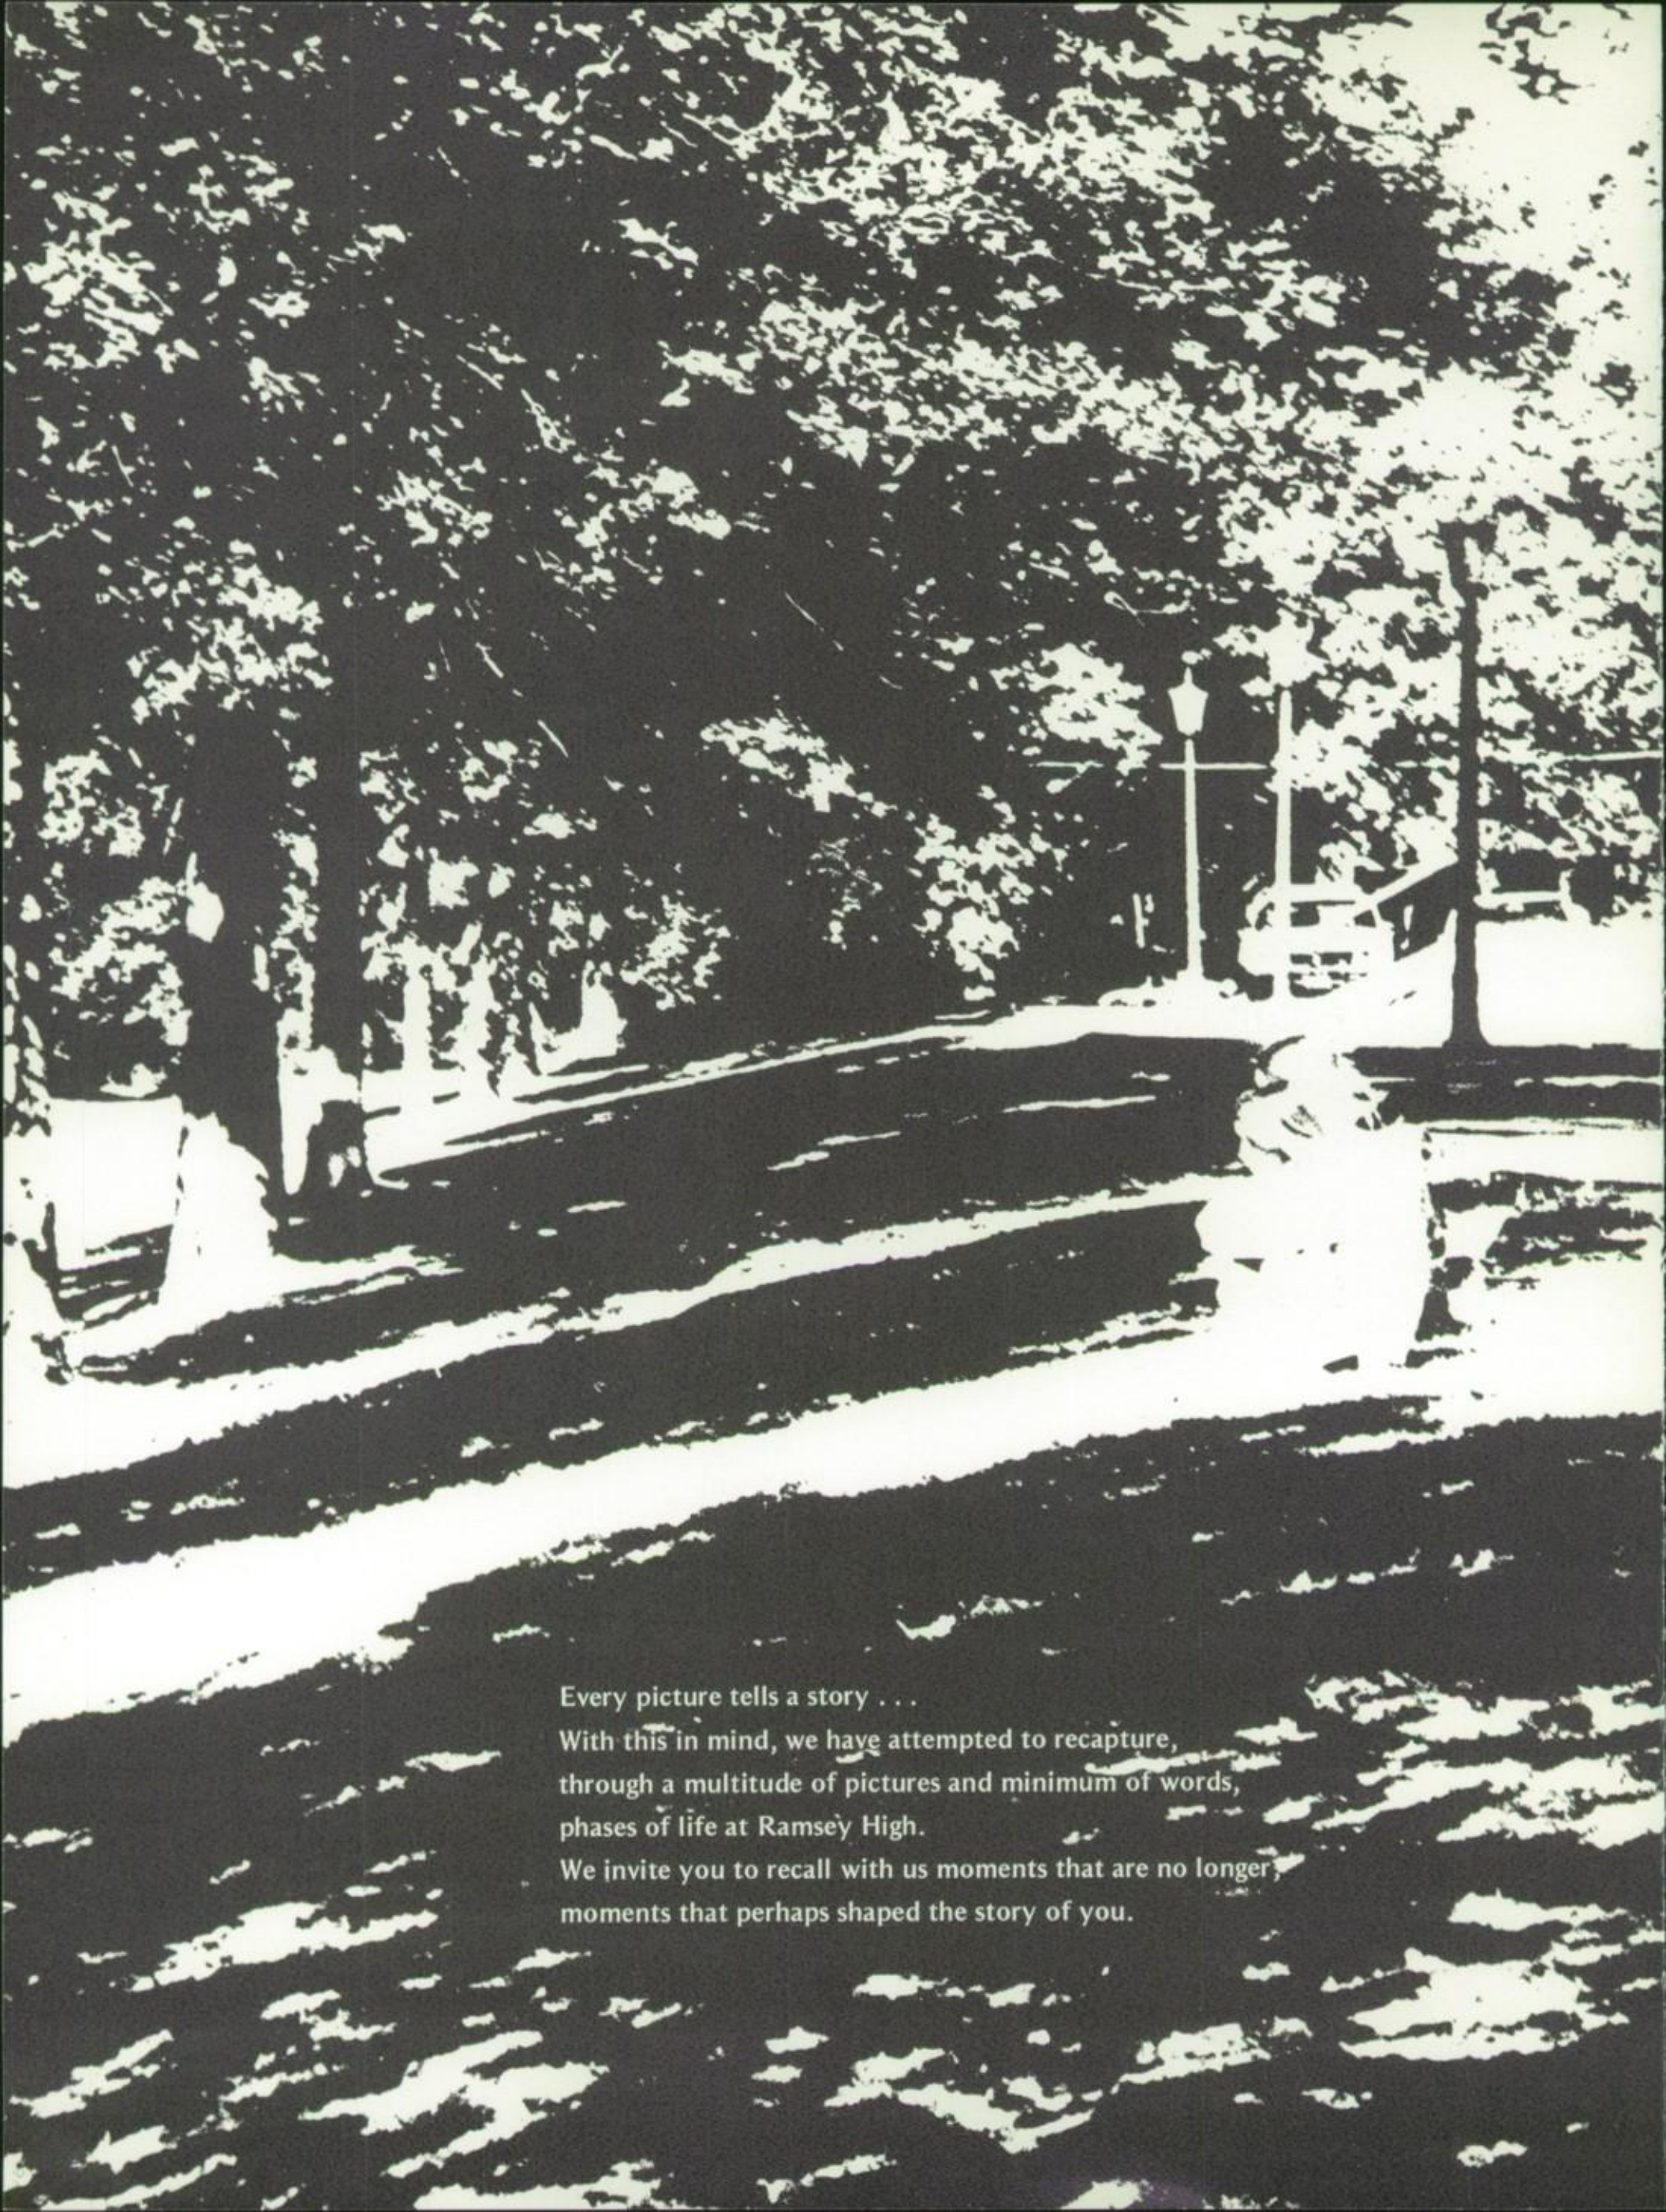
RAMSEY HIGH SCHOOL

Ramsey, New Jersey

Dr. Frederick Aho, Principal



Every picture tells a story . . .
With this in mind, we have attempted to recapture,
through a multitude of pictures and minimum of words,
phases of life at Ramsey High.
We invite you to recall with us moments that are no longer,
moments that perhaps shaped the story of you.

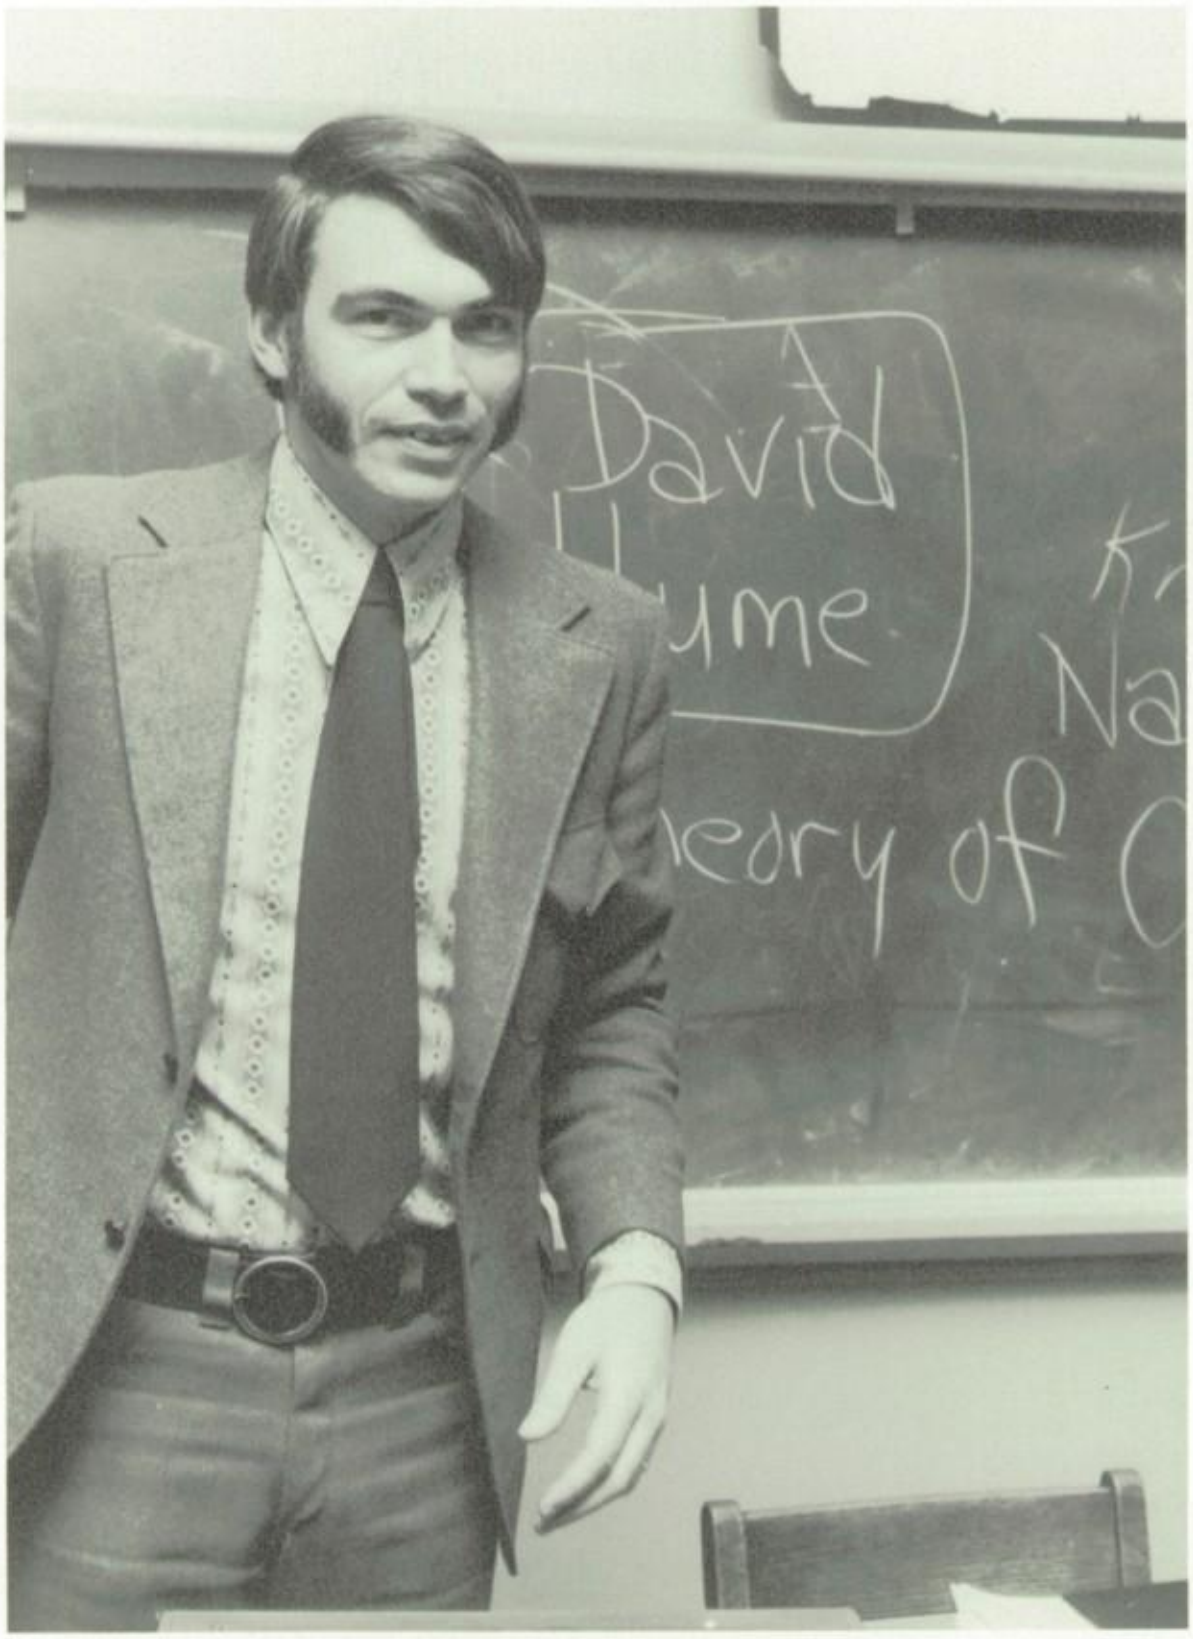
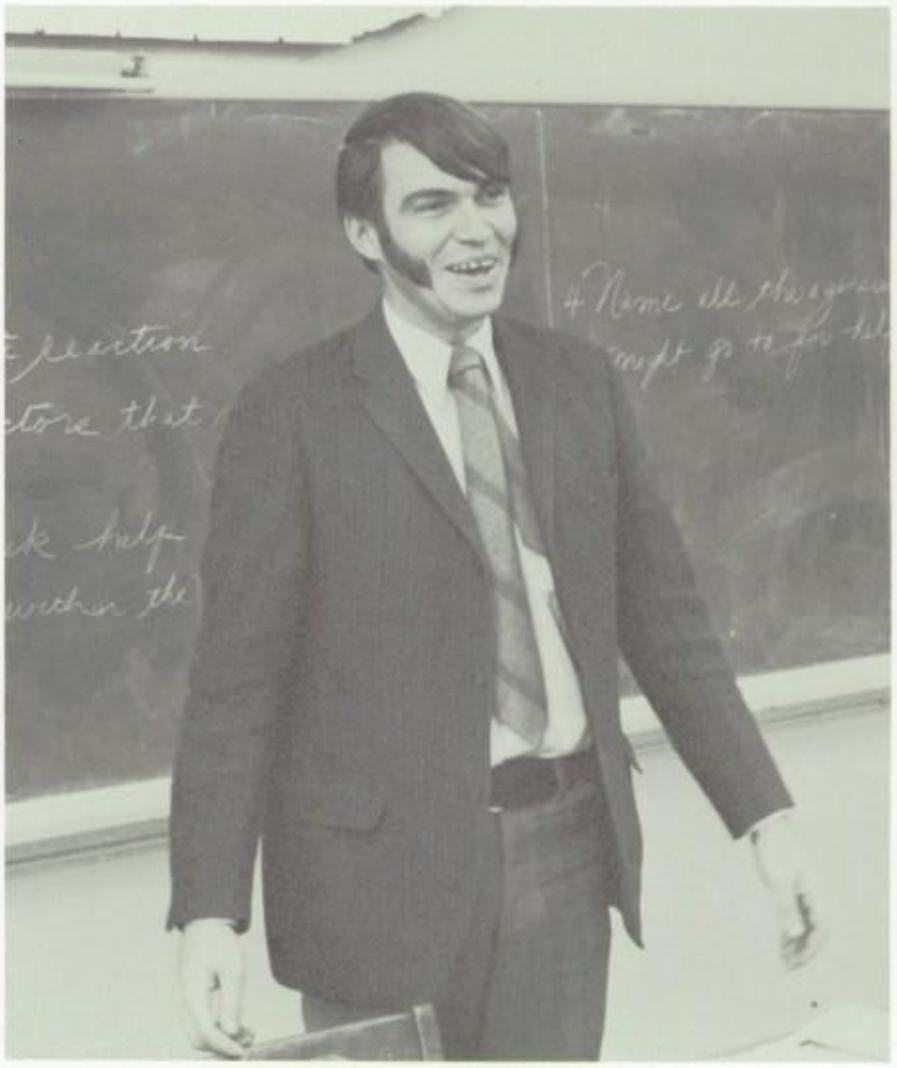
DEDICATION



MR. JOHN PONCHAK

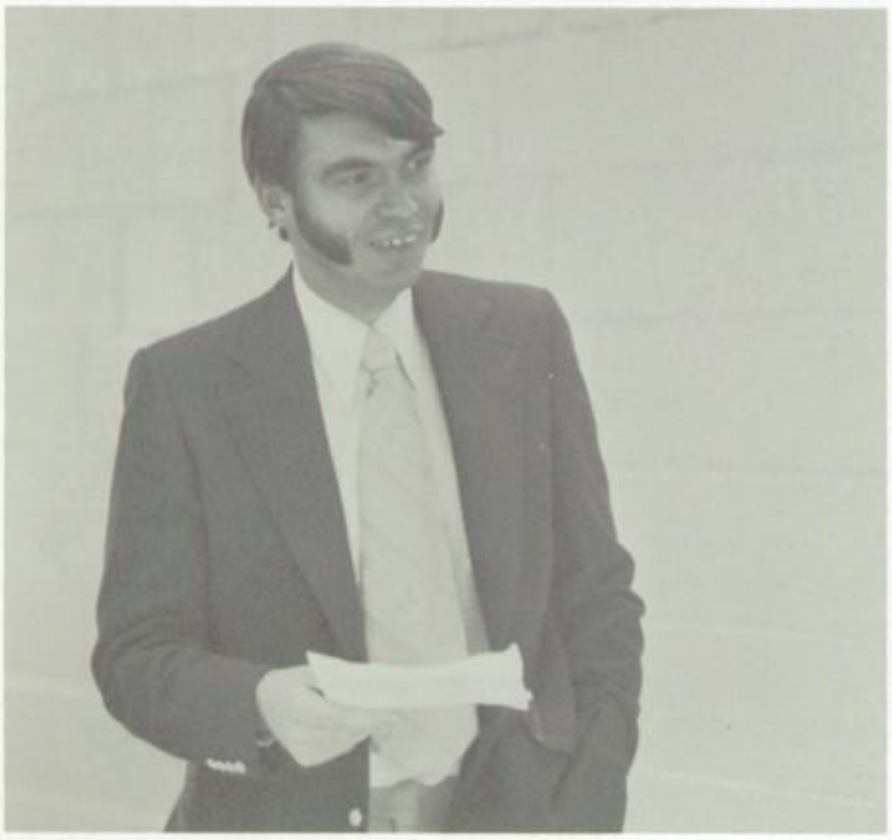


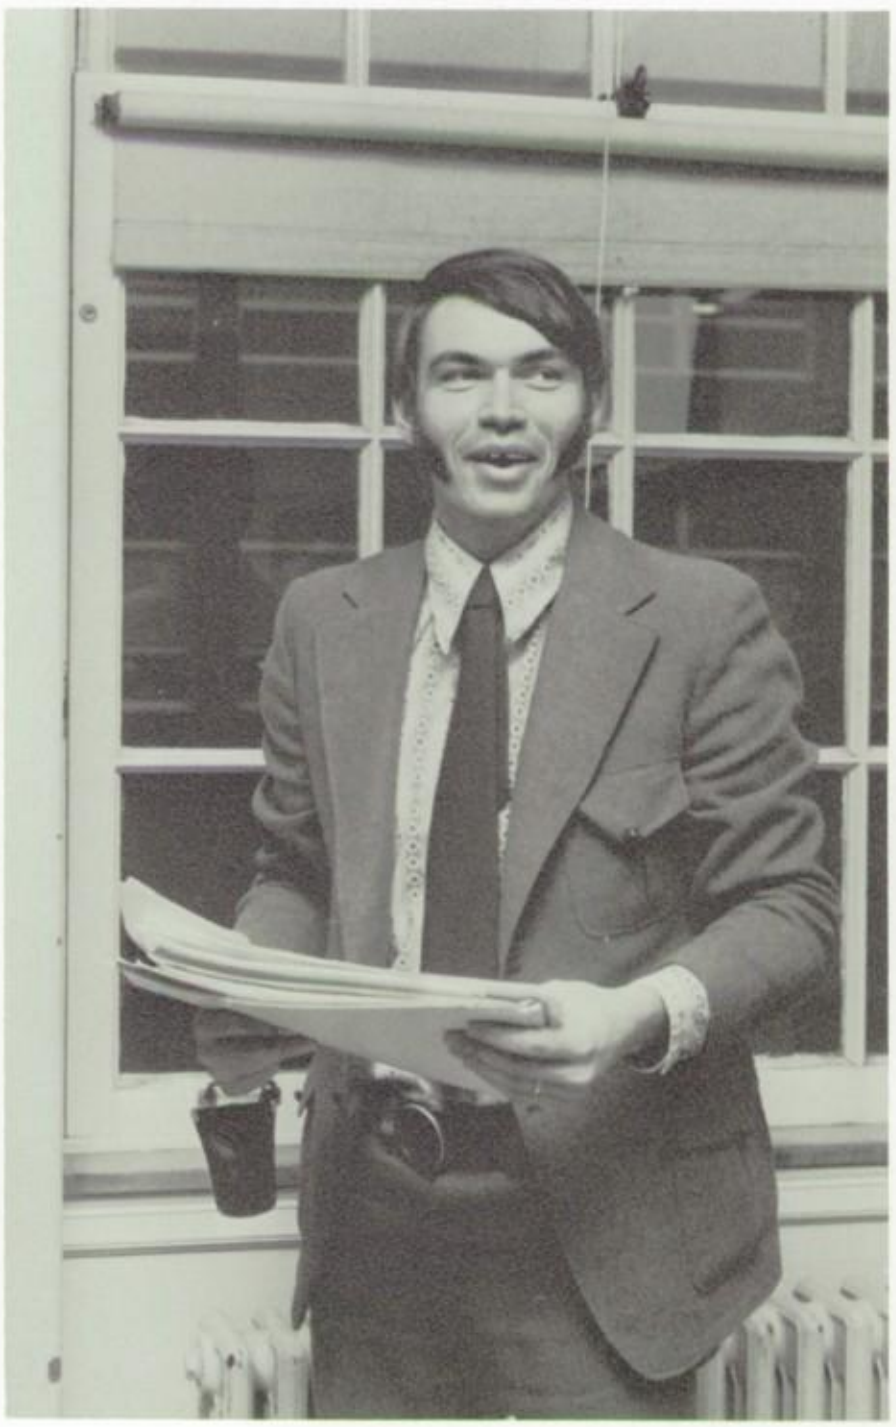
In appreciation for his enthusiasm and concern towards students, in the classroom as well as out, we the class of 1973 proudly dedicate our yearbook to Mr. John Ponchak.

He graduated from Muhlenburg College in 1963 and came to Ramsey's Social Studies Department the same year. In 1966 he was granted a two year leave of absence when he went to serve in the United States Army. He returned to his teaching career at Ramsey in 1968 and introduced a course in Political Science to his department's curriculum. He also succeeded Mr. Art Terhune as varsity baseball coach. Since then he has achieved a continually outstanding record and more important, a rapport with his players. In addition to his coaching and teaching responsibilities he can also be found spending much time as an active participant in RHS events — ranging from announcer to donkey basketball star.

Those who know him, in and out of class, have long become aquainted with this living legend; John Ponchak, trivia expert. He has long dazzled and baffled both faculty and students with his never-ending barrage of little known information.

As a group and as individuals, we dedicate this yearbook to him for his dedication to the students of Ramsey High School.





In the sweetness of friendship
let there be laughter
and sharing of pleasures.
For in the dew of little things
the heart finds its morning
and is refreshed.

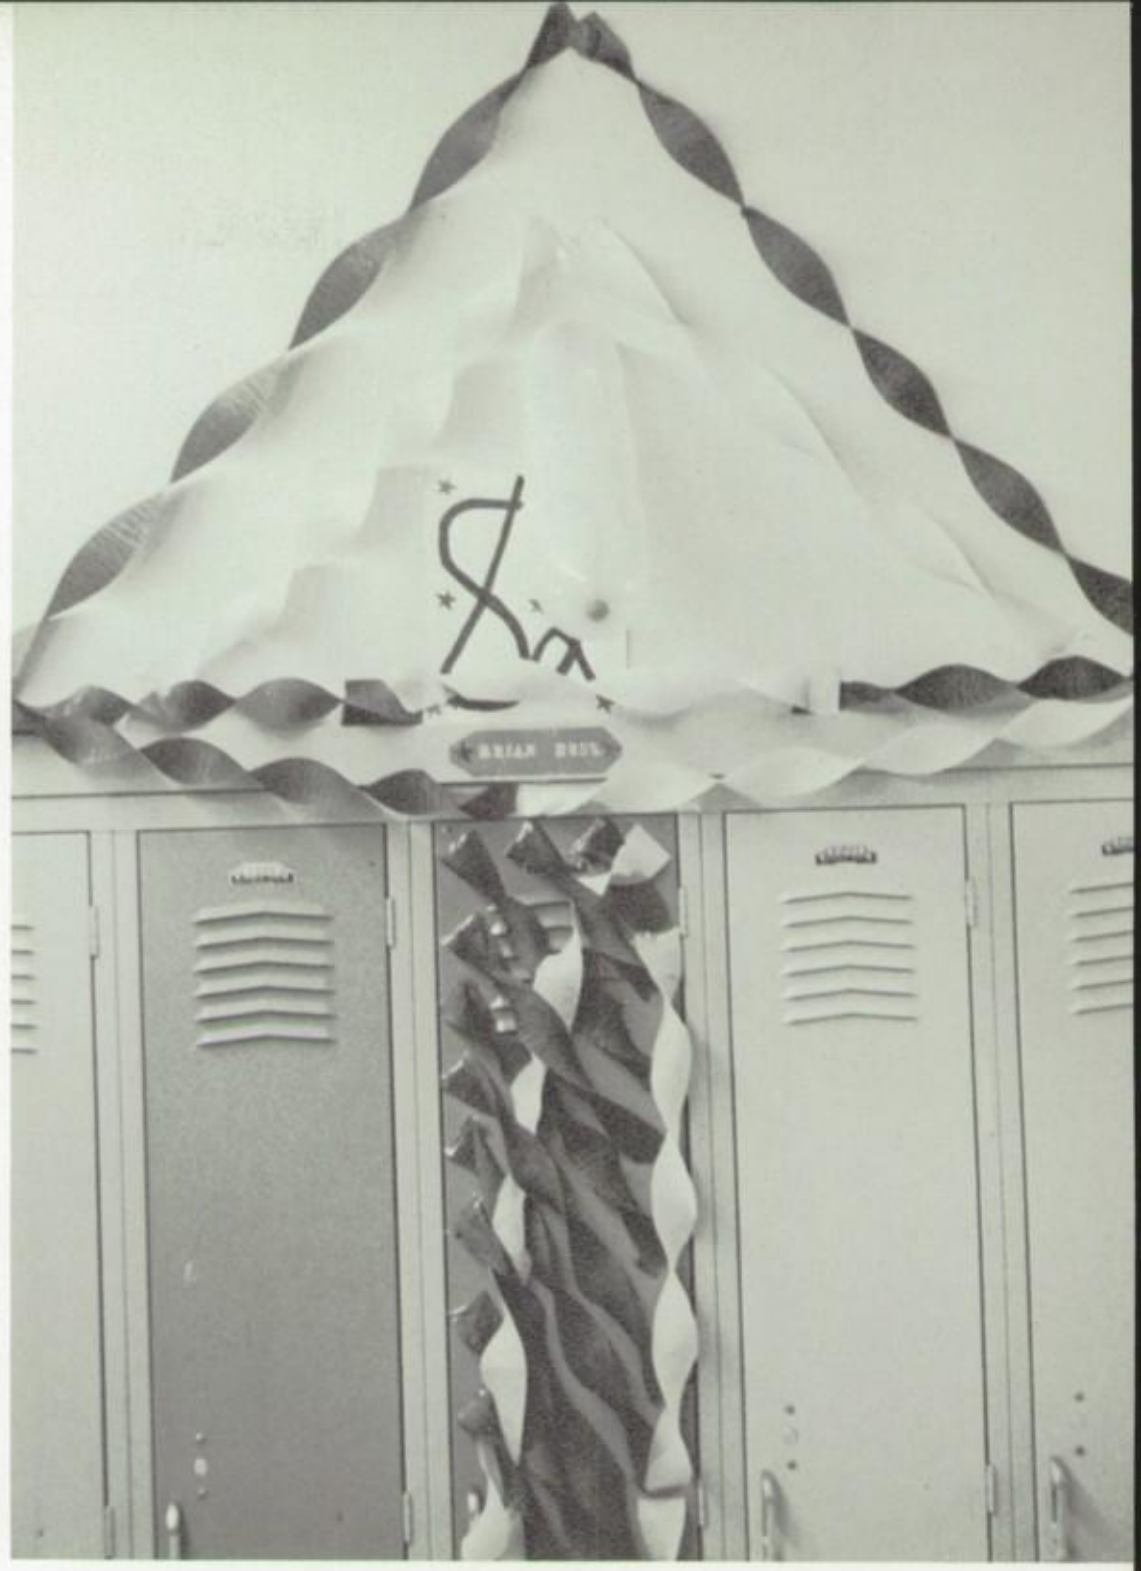
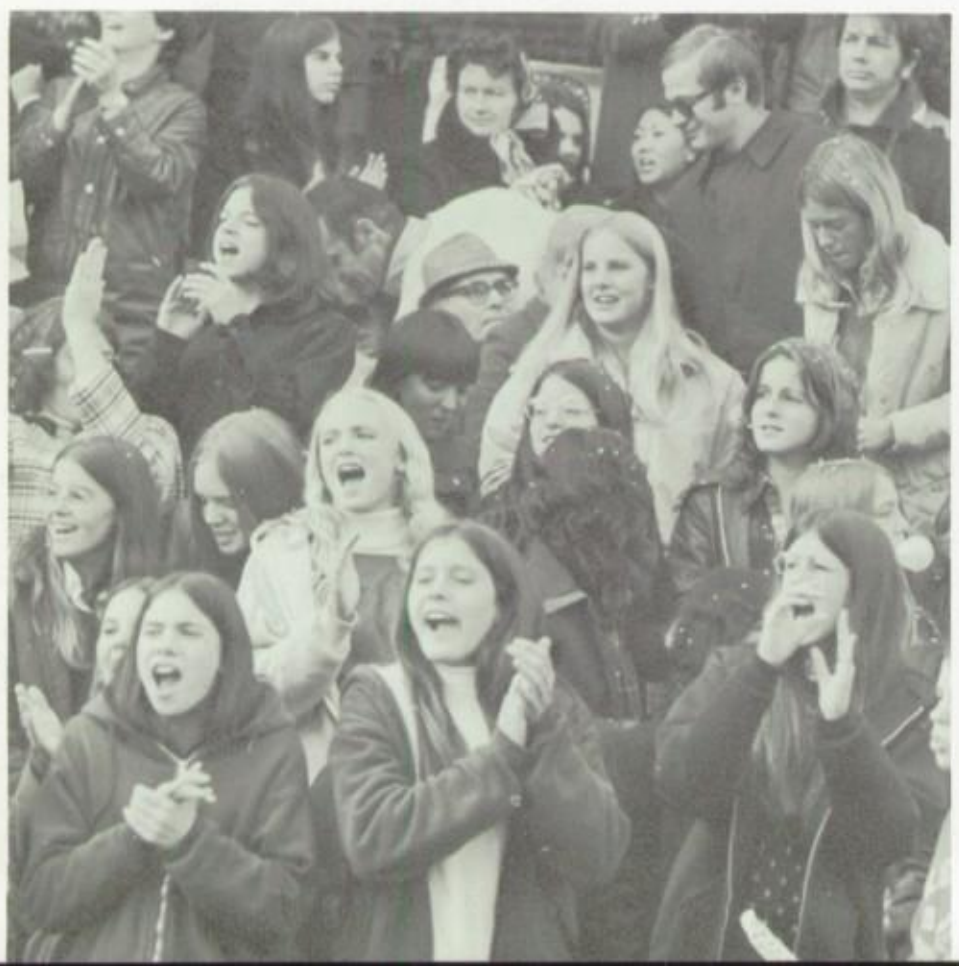
We are such stuff as dreams are made on.

THE TEMPEST, ACT IV

Nothing great was ever achieved without enthusiasm.

EMERSON





Of making many books there is no end,
and much study is a weariness of the flesh.

ECCLESIASTES 12:12

Only that day dawns to which we are awake.

THOREAU

I shall pass this way but once;
any good thing therefore that I can do,
or any kindness that I can show, let me do it now.
Let me not defer it or neglect it,
for I shall pass this way but once.

CLASS HISTORY

Already known as an extraordinary class from grade school, we entered Ramsey High School as the largest freshman class in its history with the desire to live up to our reputation. We soon learned, however, what the phrase "lowly freshmen" really meant. On the last of the great freshmen days we were humiliated into wearing brown while the upperclassmen wore blue and gold. Our egos were more shattered when the school wouldn't even hire a bus for our first field trip, causing us to hike the distance to Interstate Theatre to see "Romeo and Juliet." Led by the first set of freshmen class officers; President Jack Haberer, Vice-President Dennis Barone, Secretary Joann Goven and Treasurer Betsy Chambers, and filled with enthusiasm, we attempted to hold a breakfast dance. But this "unique effort" defeated our treasury, as well as crushed our spirit, leaving us a forty dollar debt.

But our freshmen teams created some of the bright spots in our first year. Our cross country team was the league's champ with an 8-0 record and our freshmen football team went undefeated, a preview of what lay ahead.

Our sophomore year was filled with "firsts". Through a new program, some sophomores were able to take American History I that year, but few realized that this meant coping with "superior" upperclassmen. Sophomores became involved in other novel projects – the International Dinner, held by the Language clubs; a town-wide hoagie sale sponsored by the A.F.S.; and the Girl's Gymnastic Exhibition. Some strange new creatures, calling themselves the Guardian Angels, encouraged our varsity football team to its first winning season in sixteen years. Girls were forced to avert their eyes when walking through the halls due to another first – the removal of boys' room doors. An ingenious group of seniors initiated the first Seminar Day, where the entire student body and faculty chose their own morning seminars and had the afternoon free to attend a concert in the gym or to enjoy the spring day.

Although we did have many "firsts" during this year, we did see the last of our traditional school dances. Our class, led by officers – President Tom Barksdale, Vice-President Bill Vance, Secretary Mary Kay Brugeman and Treasurer Sue Anderson, held a highly successful concert-dance featuring Some Other Animal, and our former freshman reputation as failures was forgotten.

After the Labor Day fireworks, we achieved the position most-looked forward to at R.H.S. – juniors. Instead of following in the footsteps of previous classes, we sold candy in place of the conventional Christmas cards. Thus, we acquired a better financial balance than any other Junior class treasury, directed by our junior class officers; President Lorraine Schertel, Vice-President Tim Brennan, Secretary Betsy Chambers and Treasurer Kathy Brown. We couldn't be better in sports with a league crown in soccer, state sectional championship in cross country, and the first unbeaten seasons in track and football.

Following tradition many of us struggled through PSATs, SATs and Achievements; produced a junior class play, *Charlie's Aunt,* starring Bill Bukowski, which was a smashing success; helped to sponsor the combination Prom-Coronation Ball held at the Tower Restaurant; and actively contributed to Seminar Day. At this stage of our high school career, we were rating buses for field trips including *Two Gentlemen of Verona,* choosing rings in new colors, and in-rare moments, we began planning for our futures.

With sadness, we learned of the retirement, effective January 1, 1972, of R.H.S.'s long-time principal, John W. Mitchell. Spring brought with it two pieces of good news. Following much petitioning by Lorraine Schertel, the Junior class learned of partial junior year exam exemptions. The Murray Nuts, who won the National Physical Fitness Championship at Washington, D.C., brought a great deal of pride to R.H.S. The school year ended, but for forty-eight chorus students the summer gave to many the most memorable experience of their lives, a three week concert tour of Romania.

Before we knew it we were seniors, prepared to accept new responsibilities and to make plans for the future. The fall brought with it new changes that the entire student body had to become accustomed to. The pleasure of missing one major a week was denied, as we reverted back to a staggered non-rotating schedule. Along with new courses such as Anthropology, Introduction to Behavioral Sciences, Sociology, Bible As Literature, Creative Writing, as well as extracurricular work in the computer room, we were greeted by our new principal, Dr. Frederick Aho. In the first election year when 18 year-olds could vote, seniors took part in a new program exposing them to the platforms of the five major polictical parties. The seniors racked up even more success in their last year, including their play, *The Man Who Came to Dinner* starring Paul Delhauer; the outstanding record of the football team; the excellent achievements of the cross country team; and the second placement of the R.H.S. band in the Pompton Lakes competition. The entire school has benefited by the continued work on the courtyard advised by the senior class officers; President Dan Nowell, Vice-President Dennis Barone, Secretary Betsy Chambers and Treasurer Kathy Brown.

Words alone cannot express all the living that we've experienced in these past four years. As our lives diverge with the close of our high school years, we can relive some of the moments through this book – for every picture tells a story.

CAME TO DINNER

The cast of the senior class play, *The Man Who Came To Dinner*, was so certain of the play's success that two performances were scheduled. And so, for two evenings, the public was thoroughly entertained by the sparkling talents of the senior performers. Those who attended the play will never forget:

Alexa Benoit's unforgettable exit
Bob Hennelly's ability to steal a scene
Bill Bukowski's "exceptional" piano playing (and singing!)
Kathy Sullivan's biting sarcasm
Rick Rogers' well-practiced love scene
Kathy Hill's penquins
Paul Delhauer's adeptness with his wheelchair
as well as
the entire cast's contributions into making *The Man Who Came To Dinner* the success it was.

STUDENT COUNCIL

OFFICERS

President . . . . . .Tim Brennan
Vice President . . . . . .Lorraine Schertel
Secretary . . . . . Kathy Hill
Treasurer . . . . . .Kathy Sullivan

The Student Council, led by Tim Brennan, benefited the school by undertaking many projects designed to meet the school's immediate needs, such as the Ram Register, painting of the bleachers, and purchasing of the cafeteria speakers. It also sponsored two seminar programs, student exchange days, and teacher appreciation week. To help shape the future of Ramsey High School, the Student Council was represented in the grading committee, suspension policy committee, and also reviewed its own constitution policies.

VARSITY FOOTBALL 8-1

Winning football games on Saturday afternoons has become a habit at Ramsey. Coach Ralph Polito's last year at RHS was like the first two as his team took 8 of 9 games. The Rams extended last year's unbeaten streak to 17 games before losing the finale. Rated seventh in the county, the Rams recorded five shutouts and outscored their opponents by 250 points.

Leading the team's high scoring offense was th unstoppable running tandem of seniors Tom Smith and Tim Pendry. Both players received county and state honors. Tom Guidry quarterbacked the team behind a fine line led by all-county tackle Erik Fallenius, center Steve Kreuzkamp, and guard Craig Ciarlelli. Other seniors seeing plenty of action included Brian Huss, Ed Hauck, Ken Maier, Gary Perkins, and Paul Holland. Next year's team focuses around tri-captains Jim Masker, Don Kearns, and Mike Nelson. The future seems bright for the Ramsey football program.

Soccer is one of the many growing sports at RHS. Each year the team improves and more people starting to watch the games. A tight defense and plenty of scoring earned the team a second place league finish and they were ranked eighth in the county. Only a questionable defeat in the State Tournament tarnished a fine season that ended with a 9-5-2 record.

Leading the stingy defense was co-capt. fullback Stan Kozakowski and goalie Mike Kreigh. Other seniors were: leading scorer Mark Bray, Tom Mastrapole, Wade Riffe, Andy Ameye, Dave Field, Dave Yee, Randy Mayo, and Greg Brousseau.

The Rams have a bright future with many returning juniors who have lettered. Some of them are Wayne Grouh, Pete Creadick, Leo Bales, Ray Longchamp, and Doug Porter. Next year's team should have another successful season.

VARSITY CROSS COUNTRY 12-0

Winning is nothing new with Coach Lou Molino's runners. Probably the most successful sport at RHS over the past five years is cross country, as it seems to produce undefeated seasons regularly. This year's squad won all twelve dual meets and placed second in both the sectional and state championships. By being rated third in the county, all three fall sports broke through to the top ten in Bergen.

Ramsey loses two of its finer runners as co-captains Frank Dengg and Bill Arata graduate after four years of varsity competition. Other seniors leaving are Scott Handelmann, Dennis Barone, Mark Binkley, Mike Doherty, Steve Gudelski, Brad Elam, Craig Berry, and Ken Frederick.

Still there are few worries about next year's team. Returning are first team all-county junior Tim Chambers, Dave Orr, Jim Picht, Kevin Sneider, and freshman Ed Schnell. Probably by this time next year, the harriers will be 12-0 again.

GIRLS' VARSITY TENNIS 5-3

Coach Jean Oliver with co-capts. Margie Flackman and Ronna Revere.

Women's Lib had its effect on Ramsey High School this year as it saw girls' interscholastic sports introduced for the first time. Miss Jean Oliver coached the first year team to a surprisingly successful season of 5-3. With only two seniors leaving, co-captains Ronna Revere and Margie Flackman, the Rams look to improve next year. Returning are Jeanne Varley, Melinda Morris, Debbie Richin, and Linda Avakian. Coach Oliver's girls should serve up another winning season next fall.

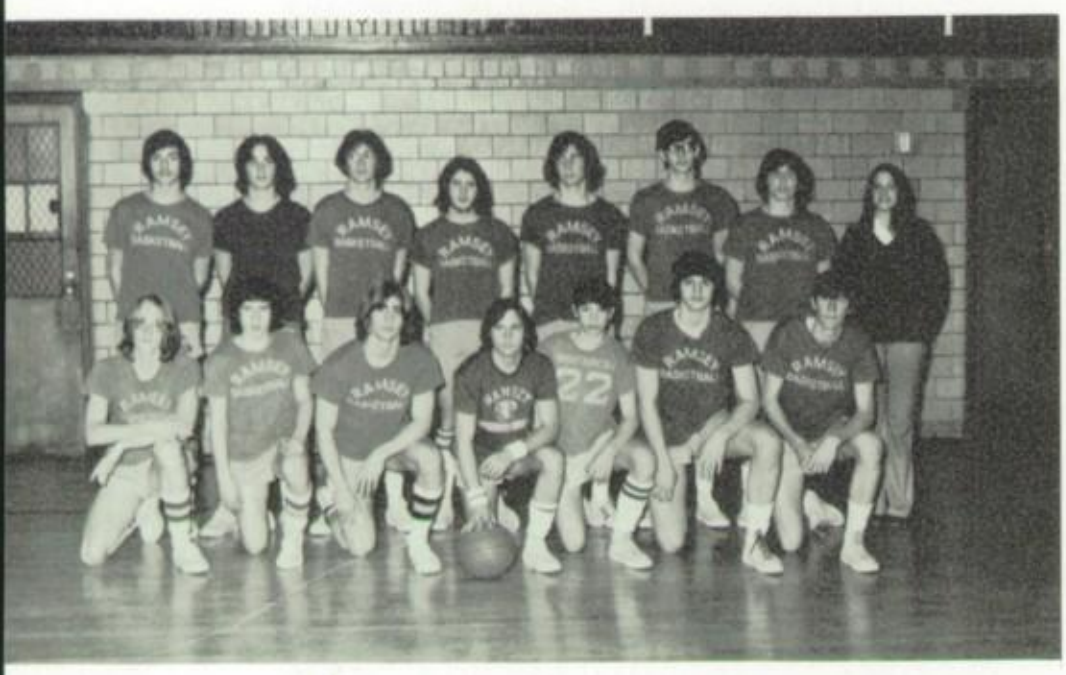
VARSITY BASKETBALL 11-10



JV BASKETBALL 7-12

FRESHMAN BASKETBALL 6-8

After losing its first six players from last year's squad, Coach Gordon Gedford had the task to rebuild his traditionally winning Rams. The inexperience didn't hold back a reasonably successful season as the team took 11 of 21 games including a win in the State Tournament.

The starting five, all seniors, was led by all-league forward Tim Pendry who averaged 20 points a game. Jim Batelli and Dan Nowell controlled the middle as few teams outrebounded the Rams. Captain Mark Binkley combined with Tom Guidry to form the backcourt and round out the starters. The only other two seniors, forwards Lakostia Robinson and Gary Perkins, saw plenty of playing time.

Next year Coach Bedford faces the same problem as he loses the entire starting unit. Returning are juniors Pete Creadick, John Rogers, Andre Kloetz, and Ray Longchamp. With plenty of work, the Rams hope to produce a winner.

This year's varsity wrestling team also had to rebuild. Coach Art Terhune filled the holes left by last year's graduates with mostly underclassmen. Even with a young squad, the Rams managed to win 5 of 12 matches.

Only five seniors leave this year. They are Buddy Brown at 130 lbs., Paul Hollund 141, Dennis Barone 115, Greg Drobney 157, and Bruce Johnson 178. Next year's team should be stronger with junior capt. Jim Masker, Rich Nelson, Brian Zinsmister, Eric Lutz, and Carl DellaTorre returning. A winning season is looked forward to next winter on the mats.

GIRLS' SWIM TEAM

BOYS' SWIM TEAM

The RHS swimming program is one of the few in the area. To be a member, one has to be willing to rise in the early morning before school to practice. Coach Terry Robb's boys team ended the season with a 9-4 record and Coach Jean Oliver's girls were 9-1. With only seven seniors leaving, a strong season is expected next year. Those graduating are Lisa Alhers, Ginny Alberts, Sue Bianchetti, Mendy Donehue, Bill Vance, Dave Ham, and Henry Matthews. Returning among others are Jack Hill, Chip Porfido, Lissa Lewitz, and Tim Fitzgerald. The Rams should look good when they start the 6:00 A.M. practices next year.

VARSITY BOWLING

Coach Andrew Unterstein's bowlers concluded this year's season by winning 19 of 36 matches. The four seniors that led the way down the alleys were Joe Cadillac, Rich Romains, Tom Watson, and Steve Bennett. Expected to help next year are Dennis Conley, Wayne Groh, and Jeff McCaig. The Rams hope to produce another winning season next winter.

MURRAY NUTS

Coach Richard Murray

One of the hardest working groups in the school are the Murray Nuts. Coach Richard Murray's physical fitness team receives little credit for their accomplishments. Last year the team went to the National Championships after winning the Eastern Seaboard title and won. This year's squad goes back to defend the title later in the year. The only three seniors on the team are Dennis Barone, Glenn Karpovich, and Richard Baker.

FRESHMAN BASEBALL

Going into this year's season, Coach John Ponchak has to plug the holes in his baseball team left by graduation. In the outfield, expected to play are Shun Takano, Fred Mapes, Ken Cavanagh, Tom Mitchell, and Dave Evans. Looking for infield spots are Don Brockmeier, Tom Guidry, Gordy Wicker, Scott Getlin, Pete Creadick, and Dan Miko. The catching will probably be handled by Stan Kozakowski. With a long 23 game season ahead, pitching could be the decisive factor to a winning season. On the mound, there will be Paul Meldrum, Phil Cutheberson, Tom Guidry, and Don Brockmeier. A successful spring could bring the BPSL title to RHS.

VARSITY TRACK

Coach Fred Ufferfildge

After a highly successful season last year, Coach Fred Ufferfildge's trackmen hope to continue the winning. The Rams have a lot of talent returning and are looking forward to their ten dual meets.

In the field events, the team's strength lies in Tim Pendry's long and highjumping, Erik Fallenius throwing the weights, and Ken Maier's polevaulting. The distance runners include Frank Dengg, Bill Arata, Tim Chambers, and Scott Handelmann. The leading hurdlers are Brian Huss, Pete Ugosoli, and Ed Hauck. Don Kearns, Mark Cariddi, Joey Flesher, and Tim Mather are the sprinters. Last year's squad won the league title and did well in the sectional and state meets. This year's team seems to have a good chance to equal their performance.

Coach James Robertson's golfers enter the new season after losing most of its regulars. The only two seniors out this spring are Wade Riffe and Tom Smith. VARSITY TENNIS

Ramsey Tennis had only two seniors last spring and the majority of the team was underclassmen. Now they are a little more experienced and ready for the 13 matches they face. Still, Coach Bruce Stead has only three seniors. They are Bruce Johnson, Rich Romains, and Larry Harvey. Juniors Ray Longchamp and Keith Brokaw along with Brian Zinsmister, Mark Hayes, and freshman John Moneypenny should see plenty of playing time. It could turn out to be a good spring for tennis.

GIRLS' GYMNASTICS

Advisor: Mrs. Mary Lee Vandergaag

Both gymnastics and softball are new editions to the athletic program. Along with tennis, girls now have the largest selection of sports ever offered at RHS. The two advisors of their respective teams are Mrs. Mary Lee Vandergaag and Miss Lois Hensley. These new offerings may be a sign of the future for girls' sports at Ramsey.

MR. ROGER MANTELL

We, the Class of 1973, are dedicating the sports section of our yearbook to Mr. Roger Mantell in recognition of his fine years of service to the students of Ramsey High School.

We are sad to see him leave from Ramsey since his accomplishments are so great. He has given his talents in the school system since 1939 and has been a guidance counselor for twenty-six years, including eight years as director of guidance.

Mr. Mantell has also contributed to our sports program by coaching Basketball, Track, Cross Country, and Swimming. He gave three years of his time to coaching each of these sports.

As we depart from Ramsey High School, this senior class will always hold fond memories of Mr. Mantell and his vast participation in the field of education.

NUGGET STAFF

A yearbook . . . it's a lot more than pictures plopped on pages . . . it involves meetings, staffs, schedules, layout, blurbs, additions, typing, proofreading, picture cropping, more typing, more proofreading, deadline! deadline! deadline!

. . . we had criticism, second thought, set backs, and sleepless nights.

So why did we do it? Because we cared.

That is reason enough.

And since we did, we've made a yearbook that we all can be proud of.
